### Course of Parchment Craft

These courses require the use of various tools that will be supplied.  
During the courses we will do some project (cards, bookmarks, gift cards).  
The tools and the works made remain to the student.

#### Beginner's Course:

- Basic techniques: embossing and perforation (2 lessons).

#### Basic Course::

- Tracing, embossing, perforation, cut, Dorso Color (5 lessons).

#### Advanced Course, only for people who already learned the basic techniques:

- Colour techniques with Pergaliner pencils (3 lessons).
- Dabbing Colour techniques with Pintura acrilic colours (2 lessons).
- Colour techniques with Pergacolor acrylic felt pen (3 lessons).
- Perforation with Raindrop, Semi-circle and Square perforators (2 lessons).
- Brush-up of basic techniques and make project with new papers (3 lessons).

The lessons will be held in Ozzano Emilia on Friday, custom dates can be arranged.

The courses can be individual or programmed with a maximum of three attendees.

#### Free Demonstrations

Places and times will be published on the First Page.

#### Send your email to:

Rosanna Zerbini

I'll keep you updated on themes and dates of demonstrations.
